

Dear Supporters:

Now is the time to ask our Representatives and Senators to demonstrate commitment to Afghan Refugees by supporting an **Afghan Adjustment Act**. Thousands of Afghans recently resettled in the United States have temporary legal status, so still face an uncertain future until their status as refugees is made permanent.

An **Afghan Adjustment Act** would allow Afghans to have a pathway to permanent status. This act would allow them to apply to become lawful permanent residents after one year in the U.S. Without the Act, most recently admitted Afghans could be obliged to leave U.S. in two years.
